

JEWISH FLOWER DAY TO BE HELD MONDAY

The seventh annual flower day of the Jewish National fund will be held this year on Monday, June 21, when committees will be stationed on prominent corners, offering flowers for sale. The money realized, redeems the soil of Palestine, which land is acquired by the national fund—controlled by the international Zionist congress—as the property of the people. The land acquired can never be resold but is made over in hereditary lease at a low rental to any individual who is willing to cultivate it.

The national fund is an everlasting fund that cannot be spent or alienated and every donation given, is therefore a gift that bears fruit forever. The executive committee in charge, is composed of Miss Mary Blockman, chairman; Mrs. H. Blugoch, Mrs. A. Karcher, Mrs. Mary Weiss, Ben G. Levy, Sam Fineberg and Miss Raye Jaffe.

FINESHRIBER SPEAKS TO LIONS FOR JEWISH FUND

Dr. W. H. Fineshriber, rabbi of the Children of Israel congregation, who was the principal speaker at the Lions' club luncheon, at Hotel Gayoso, Tuesday, made a plea for the Jewish relief drive, to start next week. He stated that helping Jews in the war sections was too great a task for Jews alone to shoulder, and so all are asked to help. He said Jews have shouldered their own tasks in the past, but that this was an undertaking which merited assistance of every friend whereby arrangements will be made with zoo officials for the club to sponsor the three-day club recently added to the collection. If arrangements can be made, a christening will take place when the cubs are old enough to be visited without the presence of their formidable mother.

DODSON KILLING USE OF CALOMEL

Says Drug is Mercury and Acts Like Dynamite on Your Liver.

Dodson is making a hard fight against calomel in the South. Every druggist has noticed a great falling off in the sale of calomel. They all give the same reason, Dodson's Liver Tone is taking its place. "Calomel is dangerous, and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back. Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition. adv.

500 Women In Shelby County Bread Contest

Mrs. Fowler Wins First Bread Prize With

"Dunlop's Best" Flour

MRS. FOWLER WINS
FIRST BREAD PRIZE
Contest Ends—12 Women
Participated.

Awards were made yesterday afternoon in the Chamber of Commerce in the Shelby county final bread-making contests, in which 12 women from every section of the county participated. The first prize was awarded to Mrs. E. C. Fowler, of Bolton. She was given a kitchen cabinet.

Mrs. Fowler will go to Jackson, Tenn. in September, to enter into competition with representatives from every West Tennessee county for the grand prize. Mrs. B. L. Waller, of Nashville won second honors, with only a few points less than Mrs. Fowler.

The third and fourth prizes went to Mrs. S. B. Moffett, of Rosemark, and Mrs. J. H. Hill, of Levi school, respectively. The prizes were presented by Dr. W. E. Polk, Millington, president of the Shelby County Council of Agriculture. The judges were Miss Helen Burgo, Miss Lavinia Lanier, Mrs. Mary Baker and Mrs. R. C. Simmons.

Under the rules of the contest the three kinds of bread—biscuits, muffins and light bread—were made at the homes of the various contestants according to government formulas. They were taken to the office of the farm development bureau, where they were placed on a long table for inspection by the judges.

Miss Mary McGowan, county home demonstration agent, expressed the belief that the contest was one of the most successful of its kind ever held in the county. Prizes were donated by four big department stores, members of the Associated Retailers—From The Commercial Appeal, Wednesday, June 9.

The Best Proof

"Experts among experts competed against each other"—was the conclusion of Miss Mary B. McGowan, home demonstration agent of the Farm Development Bureau. 'Midst all the baking problems that perplex, and biscuit doubts that assail, let DUNLOP FLOURS be a sheet anchor to windward. Their quality is positive and un-failing—safe and unquestionable, not just once nor only every now and then, but ALWAYS!
